MEMORANDUM NO. CCDP-2021-181

TO : All UP Manila Personnel

THROUGH : The Deans, Directors, Heads of Units and Offices

SUBJECT : COVID-19 Vaccine Registration

---

---

UP Manila is one with the government in the implementation of the Philippine National Deployment and Vaccination Plan for COVID-19. In line with this, the UP System is in the process of procuring the vaccines for UP personnel but as we know, the schedule of the availability of the vaccines is not within the control of the university. Hence, all UP Manila employees are encouraged to also register for vaccination through the registration system of their respective local government units (LGUs).

As personnel working in the City of Manila, you may also register through the portal: [manilacovid19vaccine.ph](http://manilacovid19vaccine.ph), by indicating "Taft Avenue Ermita, Barangay 670 Zone 72, Manila, 1000 Metro Manila, Philippines" in the address.

It is understood that vaccine will be available to everybody once all those under the vaccine priority categories of the government have been inoculated.

Let us all stay safe and well.
